S.V.E.T INSTITUTIONS

Prospectus

“Continuing 17 years of excellence in education”

Founder Message

Vision

M Ramaiah
Founder and President

I firmly believe S V E T Institutions prepares its pupils for more than academic success. Your child will feel valued and gain in confidence, encouraged to pursue his/her individual talent and grow fully as an individual.

We as teaching community choose to work and learn here for enablement of your child. As an Indian, I believe we will grow only when education reach masses especially our rural areas.

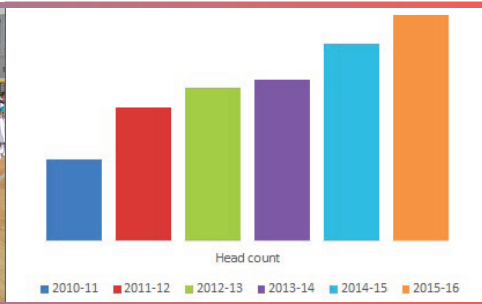

“Education par excellence for building better citizens”

School History

Revolution

The school that was started at Yadavanahalli in the year 1997 with an aim to provide schooling for children in and around the Yadavanahalli went through much hardship. Mr. M Ramaiah Founder and President of S V E T Institutions pledge his time and all resources in growth of the school.

The school has seen steady progress in building a teacher's community dedicated in giving their best, thereby helping the students and institution move forward with quality education. What started as humble beginning today the institution is a brilliant canvas of many shades.

Infrastructure

Enrichment

The Giddenahalli school campus is spread across 2 acres facing NH7 from the front and Giddenahalli lake on to the right. Greenery is maintained across the campus more than 30 varieties of plants/trees and lawn.

The current building is designed aesthetically with sufficient classrooms well equipped, spacious, and ventilated to accommodate more than 1500 students. Well sanitized wash rooms both Indian and Western style individually for boys and girls on each floor of the school building.

With safety and security at most priority, the school has a safe environment outfitted with 24 hours security personals along with 24/7 CCTV surveillance in and around the campus.
